About Us

www.terrashieldindia.com

TerraShield Innovations Private Limited, is a name synonymous with innovation, excellence, and reliability in manufacturing, import, and export of geo-technical & slope stabilization products. Formed by our founder Chairman & Managing Director, Mr. Punit Maheshwari, it is a sustainability-driven company committed to protecting and preserving land and water resources. Specializing in advanced solutions for soil erosion control, terrain stabilization, and waterproofing, we provide innovative technologies that safeguard diverse terrains against environmental challenges.

Re-organized in 2025, **TerraShield Innovations Pvt. Ltd. is the group company to IMPERIAL OVERSEAS & INDOKON INDUSTRIES** which has been in existence since 2007 & 2023 respectively
